Subject: **FY10 Labor Rates - Part 2**

Dear Mr. Karp:

A copy of each of the following listings is enclosed for your information and review:

1. FY10 Average Salary Rate Schedule for Resident Instruction (All units except GTRI.)
2. FY10 Average Salary Calculation for Selected Positions (This schedule presents the details of the calculation of average rates.)
3. FY10 Listing of Academic & Research Professional Salaries

Please note that because Georgia Tech will not have salary increases in January 2010 for FY10, the average rates, along with the associated back-up details, have been presented in only a single section. In addition, based on our evaluation of the planned statewide furlough program, it is anticipated that employees contracted on sponsored projects will be exempt from the required furlough days.

This information, together with the GTRI rate schedules provided under cover letter dated July 6, 2009, completes our submission of salary information for FY10. Please let me know if you have any questions or if anything additional is needed for your review.

Sincerely,

Duane Hutchison, Director  
Office of Sponsored Programs
